

Hand washing set-up for Outdoor BBQ's

Outdoor BBQ Guidelines

NOTE:

The fumes produced by BBQs can be considered a nuisance by some people, please contact neighbors and discontinue if there are problems.

Requirements:

- ✦ Protect grill or BBQ from contamination.
- ✦ Provide handwashing at all times.
- ✦ Consumers may not serve themselves.
- ✦ Plates cannot be prepared in BBQ area.
- ✦ BBQ foods may be served on prepared plates from the kitchens.
- ✦ Side dishes may not be prepared or served from the BBQ.
- ✦ Only non-potentially hazardous condiments may be served outside of facility.
- ✦ Food Sanitation Rules Chapter 333 3-306.15
